PRACTICE SCHEDULE

***NEW* - EVERY swimmer is limited to 3 practices, in their age group ONLY, per week.** For safety purposes, I have to limit practices to have no more than 6 kids in each lane. In order to accommodate all of our swimmers, especially in the younger age groups, 3 sessions will be the maximum amount for this year.

Parents will be required to sign their kids up for practices each week. Only those who are signed up may attend the practices for that day.
